TERMS:

NATIONAL REPUBLICAN Washington, D. C. municulions for publication should be brief. plainly written, and only upon one sule of the paper When anonymous they will be neither read nor etherned. Rejected manuscripte will not be preserved nor returned.

Mr. D. DAVIDSON is the Agent for the receipt of Advertisaments and Subscriptions for this Paper, and also for the Collection of

Largest Legitimate Morning Circulation in the District.

WASHINGTON, OCTOBER 20, 1880. FOR PRESIDENT,

JAMES A. GARFIELD,

of Ohio.

FOR VICE-PRESIDENT,

CHESTER A. ARTHUR,

of New York.

THE Dem. Jacks are out of fodder again. HAMPTON dates from Dagger's Springs. Very appropriate.

Dem. Jack. with the epizooty. WADE HAMPTON'S address-Columbia,

S. C. Hail! Columbia, happy land.

As a republican campaign document WADE is very nearly as good as Winfield. No electoral commission will be neces-

wary. A solid north casts 231 votes in the electoral colleges. ANOTHER STRAW-WADE HAMPTON'S

pegging out. The weight of 250 pounds causes the beast to stagger.

democrats gained 1,831 votes.

hit your jaw instead of the leg what a saving it would have been to HANCOCK! MARCH up, District democrats, and sub-

scribe to the HANCOCK fund. You can afford it now; he is not going to be elected. THE organ is very much disturbed because pions people pray for the republican party.

The democratic party is past praying for.

has he not generously given his name to the ticket ?"

HANCOCK is going to get in Pennsylvania. lapsed. Nevertheless the New York Sun throws up the sponge.

and is condensed in a single line as follows: "General HANCOCK weighs 250 pounds."

ture of his war. He stands a professed changing lands overy week, would not take changing to make \$500,000,000. All this our farm-That is a fine calculation of the demo-

gratic strongth in the next house, in the

fors that the two events are related. This rule.

does not harmonize with SEYMOUR'S If MAHONE is the man he assumes to be, These are facts which the workingmen should consider and ponder well.

The rewards of labor in England are better

show that they cannot do without New York. In its list of republican states it leaves out Nevada and Nebraska, with three votes each, and thus it makes its argument good. Put them in, neighbor, and

THE Richmond State denounces the teresting themselves to aid the election of tariff men to congress. The State ought to know that there are Richmond firms who owe all of their prosperity to the protective tariff, and that the protective policy has made the city of Richmond the busy, growing city that it is. It will probably be surprised to find on the day of election that many of its readers have studied their interests for themselves.

MAHONE OF VIRGINIA. The Philadelphia papers of Monday annonneed the arrival in that city of the coming man of Virginia, and gave brief accounts of the excitement his presence created among the quakers. For this occasion Sau RANDALI, and FORNEY were HAMPTON cooked his goose. quakers, made so by the October elections both being elected beyond dispute. RAN-DALL at once sought an interview. He was

auxious to learn whether the result in Indiana produced consternation in the mind of MAHONE, or whether that gentleman was willing to accept the BAHNUM view and treat it as an omen of victory for HAN-COCK in November. Exactly what transpired between them is not at this writing known, but as MAHONE told a reporter of the Philadelphia Press that he was engaged in the enterprise of putting down the old bourbon element in Virginia, some things can be imagined as having taken place while the curtain was down. We can conceive the gentlemanly deportment and gushing manner of RANDALL on such an mportant occasion, and with what abounding cordiality and interest he would ex-

press his wishes concerning the good health irrepressible conflict, ever renewing itof the great Virginian, and the heartiness self under different phases, between ed by the reports of Canon Barg, the bishop of the hand-shaking would be something capital and labor, and which in that to be long remembered. This first demonstration would have the appearance of or- of tenantry against landowners. It is a dinary Philadelphia brotherly kindness, phase unknown and unappreciated either their only rules for the guidance of their daily dinary Philadelphia brotherly kindness, phase unknown and unappreciated either their only rules for the guidance of their daily dinary Philadelphia brotherly kindness, phase unknown and unappreciated either their only rules for the guidance of their daily person would lead him to believe that the less free domain. Yet it threatens to over-Indiana election was a thing of the dead throw ancient institutions, to reduce to chaos:

It threatens to overtillity to received destrines of belief, their attitude is one of shaple indifference." "The whole naand forgotten past,

not at all likely to be an unsophisticated need no embellishment or exaggeration to person, and all the while the supple create sympathy from the most callous and problem of the century SAMUEL was performing his antics be indifferent mind. On the other hand the could discern the letters which spell the landfords have rights as well as duties, and BE sure to look at Puck's picture of the word "Indiana" as plainly as Nasr used these should be considered as well as backer of Arkansas, writes that the impression to make the card of GRATZ BROWN stick the sufferings of the dwellers and tillers among the people is that the constitutional among out from the coat-tail of Hobace Greeof the soil. Among the most prominent ment repudiating a part of the state debt was carfied by a large majority. The returns of the election are still reported to be imperfect.

And now another democrat—Cutler of New Jertime for long preliminaries and ceremonies, chief of the home-rulers in the imperial sey-says that the tariff is a local issue. Cutter is and therefore it is probable that RANDALL parliament. He is the real head of the that state, but he will learn on the morning after had to cut short his delightful masquerade and lengue which has been formed and proceed at once with the stern duty of throughout Ireland and whose efforts are the hour. Still showing the beauty of his directed to the amelioration of the peasant resent the district in the forty-seventh congress. ivory, he puts the question: "Well, Ma- class. The Dublin correspondent of the to what they shall do with their roosters. They HONE, how about Virginia?" And the reply London Times says that his plans for the had imported from Virginia and other southers is: "Sir, I am engaged in breaking the regeneration of the people comprise the states a large number of the very best break with

THE democratic animal shows signs of language was more than a thunderelap.

Mr. RANDALL is a man acquainted with dividing up of large estates, the practical abolition of entail, and state aid in the News condemns the bliter, sectional speech of Gen-THE republicans gained 13,416 votes in bourbons and stands in the same relation purchase of these small estates in favor of eral Campbell at the dedication of King's Mountain 68 counties of Indiana. In 22 counties the to them that SEYMOUR did to the New those whose profits as tenants have been in monument. He writes: "General Campbell was York rioters and firebugs. They are friends. expended in improvements of their rented remarks and firebugs. They are friends. In this scheme he is opposed by OH, WADE, WADE, if that mule had trying to put them up, making them chairthe more conservative home-rulers and issues of the war, and hammered away at the
itt war jaw instead of the leg what a sayuse of leading committees conferring with men of leading committees, conferring with generally by the catholic party. It brings them as to the best way to humbug the the country too near to practical republipeople and the best way to elect HANCOCK, canism to suit even some of his fellow-agiand possibly as to the best way to put down tators. It will receive no support from that disorganizer, Mr. Manone. If the lat- English and Scotch politicians. It goes too although we should hate Sterman and his myr ter, the situation by this time was at least far at once. interesting, for MAHONRIS a man who keeps his eye on speakers of the house as well as To the Editor of The National Republican: der when he sees one. The hole in the ladder now is a pretty large one; and when says that the following may not have given much money to the campaign, but has he not generously given his name to

Each day brings a new democratic manifesto, and each manifesto ends with an appeal to the patriotic army of office-seekers to walk up to the rack, fodder or no fodder.

Hancock's biography in the New York San of Monday is shorter than Forney's, and is condensed in a single line as follows. and, in general, the end of pretty much all in the state policy of the way of men and measures that Mr. Ranthe way of men and measures that Mr. RanDALL has been busy in building up. When bourbonism is once fairly down in Virbourbonism is once fairly down in Virbourbonism is once fairly down in Virbourbonism is once fairly down in Vircontact the state policy of the p Ir looks as if those supervisors and deputy marshals would get their pay. When the extra session will never again happen, the organ said "Never, never, never," it the country will no longer tremble at the well established fact that, in the manufacturer had not calculated on a gain of eight members of congress in two states.

Is West Virginia the republicans gained

1. West Virginia the republicans gained

1. Second of the people, instead of being devoted to guarding our institutions against unkely raids from crack-brained lunatics, goods, then from fifty to seventy-five millions of goods, fifty per cent of the probability that may be enacted, and the time of the people, instead of being ducts of the farm enter into the composition as labor in the shape of food, was in the manufactured of all kinds of goods, fifty per cent of the probability that may be enacted, and the time of the people, instead of being ducts of the farm enter into the composition as labor in the shape of food, was in the shape of food, was in the composition as labor in the shape of food, was in the composition as labor in the shape of food, was in the composition as labor in the shape of food, was in the composition as labor in the shape of food, was in the composition as labor in the shape of food, was in the composition as labor in the shape of food, was in the composition as labor in the shape of food, was in the composition as labor in the shape of food, was in the composition as labor in the shape of food, was in the composition as labor in the shape of food in the composition as labor in the shape of food in the shape of food in the composition as labor in the shape of food in the composition as labor in the shape of food in the com

restoration of Virginia to a leading place our workshops 3,000 miles away from home. Here are facis the leaders of the sham democrestoration of Virginia to a leading place restoration of Virginia to a leading place rot merely in politics, but in industry, the constant variety of the variety of a variet

THE Richmond State denounces the day, but if MAHONE can put down the bours to the degradation of foreign papers, or "Pennsylvania monopolists" who are interesting themselves to aid the election of Virginia he will do a work their manhood and independence. scarcely less than that accomplished by The govern effects of tariff laws may be wasning too.

GENERAL HANCOCK was the best union general of the war. Maybe I think he was best because he told me I gave him the worst whipping he over had,—Wate Humpton,

whipping he over bat, — Wade Humpton.

We have entirely forgotton where it was that Hancock got the tremendous thrusting the state of the tremendous thrusting the state of the tremendous thrusting the state of th that HANCOCK got the tremendous thrashmg HAMPTON refers to; but if that is the Here, then, is an invariable rule: Low tariffs | \$20 PER MONTH.

way things are to be estimated, HANCOCK will be proved a great statesman as well for from the moment WADE appealed to LEE and JACKSON in his behalf he was the LEE and JACKSON in his behalf he was the worst besten candidate that ever tried to to the lowest point their ability to pay. High ornament a political platform. Twice has

In February, '61, General Scott ordered seven companies of artillery to this city to protect the public property. In congress the day after their arrival Representative LAWRENCE O. BRANCH of North Carolina, following resolution:

Resolved. That the quartering of troops of the regular army in this District and around the capital when not necessary for their protection from a hostile enemy, and during the session of congress, is impolitic and offensive, and if permitted may be destructive of civil liberty, and in the opinion of this house the regular troops now in this city ought to be forthwith removed therefrom.

WILLIAM H. ENGLISH voted and spoke in favor of the adoption of this resolution. In America we know but little of the agitation in Ireland growing out of the beautiful island takes the form of a warfare

putting down bourbonism in Virginta is of society. The wrongs of the tenantry tetter to Secretary Sherman. It will break backbone of bourbonism in that great forming of a new land-owning class by the state."

the back of the superb.
